

MERRY CHRISTMAS FROM  
SUNCOAST  
CERAMIC  
STUDIO

Brushing then the floss  
Will keep your teeth all clean.  
So if you have a loss,  
It won't be from bad hygiene!

Some things we can't avoid;  
Sometimes we go astray—  
Those sweets are so enjoyed  
But in the end we pay!

(Refrain)  
SCSI! SCSI! We make outstanding crowns!  
Our goal in life is saving smiles  
And eliminating frowns!

SCSI! SCSI! Our team is there for you!  
Together we create the best  
And help make dreams come true!

Always be aware  
Our team is there for you!  
They prove how much they care  
By embracing what they do.

We strive to make each smile  
The best that it can be.  
Since each has its own style,  
It's a form of artistry!

(Refrain)  
SCSI! SCSI! We make outstanding crowns!  
Our goal in life is saving smiles  
And eliminating frowns!

SCSI! SCSI! Our team is there for you!  
Together we create the best  
And help make dreams come true!

Christmastime is here....  
Warm wishes we do send  
For endless joy and cheer  
As the year comes to an end.

We hope you realize  
How much you mean to us!  
This should come as no surprise....  
Our friendship is a plus!

(Refrain)  
SCSI! SCSI! We make outstanding crowns!  
Our goal in life is saving smiles  
And eliminating frowns!

SCSI! SCSI! Our team is there for you!  
Together we create the best  
And help make dreams come true!
