Hello,

This is not **AN OBSCURE SIGNAL** that I would like to place my application for the creative freelancer you are seeking **AT THE THRONE OF JUDGEMENT**. Although there are at least **10,000 MANIACS** and other **LIFEFORMS** who could fulfill **THE CALLING** for this **LITTLE FEAT**, I would be **AGHAST** to discover anyone who could do it any better than I can once I put my **BLOOD, SWEAT & TEARS** into it. **IN THE MIST OF LIONS**, not one of **THEM CROOKED VULTURES** can stand **AGAINST ME!** in the **ANIMAL COLLECTIVE**. My **TOOL** bag is enhanced by **FIRST CLASS** educational pursuits, qualifications, and life experiences that make me a strong candidate with **HEART** that should **WARRANT** your attention. **SINCE OCTOBER**, my income has been at an **ALL TIME LOW** and I have felt stuck in a **MIDDLE CLASS RUT**, so I decided to give freelancing a try to enable me to **KISS** goodbye to **MY DARKEST DAYS**. **HELLYEAH!**

Being **BRAND NEW** to freelancing will not **HINDER** me as I have been developing the **SUBSTRUCTURE** for this type of work for many years, albeit mostly on a personal **JOURNEY**. It is a **SIMPLE PLAN**. This **NEW EDITION** will **FUEL** my ambitions, liberate me to soar with **THE EAGLES**, and become my **OASIS**. As certain as **BOYS LIKE GIRLS**, I have the ability to compete with the **SONIC YOUTH** and the **CRASH KINGS**. There is no **MYSTIQUE** and it's not a **CHEAP TRICK**; I have developed my talents by continuing my education to learn new skills and hone previously-learned abilities. In these **DAYS OF THE NEW**, my **CREED** will provide **THE CURE** for your dilemma. It's **EVERCLEAR!**

**ALL THAT REMAINS** is for you to **FILTER** through the **GARBAGE** submitted by **THE PRETENDERS**, assemble your **INSANE CLOWN POSSE**, and **RUSH** to offer me the opportunity to burn the **MIDNIGHT OIL** while I **RATATAT** a **HALESTORM** of ideas for **THE SCRIPT** in **LIVING COLOUR** and we can become **A PERFECT CIRCLE**. I **MUSE** and predict it will be **A DAY TO REMEMBER**. So, my **RIGHTOUS BROTHERS**, please **RESIST THE THOUGHT** to delay as I anxiously awaiting your next move. Say **YES** and **SEAL** the deal!

Well, that was fun! Hope you enjoyed it, too, and that it made a positive impression.

My website provides a biography and details my talents. It lists my employment history and academic achievements. Most importantly, it provides many samples of my work so you can review my style and judge the quality. The URL is attached and is listed in my portfolio. Hopefully this cover letter will entice you to visit it. I am confident that I would be an asset to your team and am excited to begin this adventure!

I look forward to hearing from you soon.

Sincerely,

*Katherine Sand*
